HOT LIST

This month's most stylish home buys

1 Historic Spanish silversmith Garrido, also the silversmith to Spain's royal family, has teamed up with Brit heritage brand Asprey to create an exclusive collection of **contemporary silverware**. Pricey, but exquisite, it includes bowls, vases and these sculptural 'Iris' candlesticks, £3,900 (020 7493 6767; www.asprey.com)

2 The history of the glassworks at Sklárný Kvetná in the Czech Republic dates back to 1794. This delicate '**Vkus**' tableware by Tomas Hovorka is from its collection of modern pieces by young designers. From £35 for six tumblers, Do Shop (020 7494 9090; www.do-shop.com)

3 **Bird ornaments** still rule – the latest proof is this oh-so-pretty hand-painted and gilded 'House Sparrow' paperweight by Royal Crown Derby, £75 (01332 712800)

4 We love a stylish bargain, and these jewel-coloured 'Mode Retro' glass vases from the new autumn range by George Home at Asda are an unbelievable steal at just £5 each (0500 100055)

5 This acrylic 'U-Rack' by Atelier v. uns for German company Serafini is a dinky piece of **storage** for hanging up jackets, shirts and jumpers that usually get dumped on the sofa or floor. It takes up very little space and adds a flash of colour to any corner. Approx £335, Homebits (01628 899715; www.homebits.co.uk)

6 Handkerchief **vases**, those staples of the Fifties interior, are back! This time, though, they're elegant, not frou-frou. LSA International's new collection features this sleek cased black glass 'Fiord' vase, £75 (01932 789721)

7 The latest design from Oslo collective Norway Says is this 'Link' tableware for Norwegian manufacturer Porsgrunds Porselænsfabrik. Elegant details on handles and saucer rims make them noteworthy at £12 (0047 355 621 28; www.porsgrund.com)

8 This smart little **egg timer** is from the new 'Form' range by Charles Job for Normann Copenhagen, which also includes an egg slicer and salt and pepper shakers, all in the same smooth pebble shape. From £11, Bodie and Fou (08706 092648; www.bodieandfou.com)
