24 karat champagne gold-plated metal.

Inspired by our popular set of Folds Tables, this elegant Gold Folds Console Table has been hand-crafted in hand-embossed and hand-polished 24 karat champagne gold-plated brass. The eglomisé surfaces of the rippled facade of the console table create a juxtaposition of light. Rather than placed against a wall, the console table is designed to stand in the middle of a room and be admired from all the sides, with dynamic folding facets and sculptural segments which draw the eye in.
