H 60,24 x W 15,75 x D 49,21 in.

Limited edition of 8 + 2AP

Silver & nickel-plated metal, walnut lining.

The distinguished Mineral Cabinet has a silver & nickel plated brass front enriched with high gloss finish, which rotates outwards to reveal a luxurious dark walnut, lining shelves and cupboard doors - designed to hold drinks and precious objects. The cabinet features mineral inspired motives adorning all facades of the cabinet, the effect achieved by meticulous precision of engineering and forging the segments. The Mineral Cabinet is cradled by a stand crafted using the same materials and elongating the shape of the piece.
