24 karat champagne gold-plated metal with Portoro marble-top.

The elegant Cilindros Coffee Table plated in 24 karat-champagne gold and covered with a Portoro marble-top. The marble top has golden veining running across its surface which matches the hue of the metalwork. Featuring a high gloss amorphous shape running across the whole facade of the table and delicate textures wrapping the surface around. The richness of the embossed pattern complimented by the lavishness of the natural stone lends to the luxuriousness of the design.
