

CILINDROS SIDE TABLE, 2015

CILINDROS COLLECTION

H 60 x W 40 cm.
H 23,62 x W 15,75 in.

Limited edition of 8 + 2AP

Nickel-plated metal.

The Cilindros Side Table launched as part of the Cilindros range, a luxe take on the early 20th-century design aesthetic. With an anthracite dyed and embossed treatment of nickel cylinder and hand-polished glistening segments, the finish on this table is classic while the form is contemporary. The treated main body is deep chocolate anthracite in colour with dark shadows and light-catching highlights on the semi-attached polished cylindrical forms. The rich detailing on the anthracite makes it appear even more three dimensional, particularly due to the smaller contrasting high gloss accent cylinders.
