

CILINDROSTABLE LAMP, 2016

CILINDROS COLLECTION

H 58 x W 22 x D 22 cm.
H 22,83 x W 8,66 x D 8,66 in.

Limited edition of 10 + 2AP

Nickel-plated metal with glass.

The Cilindros Table Lamp is plated in anthracite dyed nickel and incorporates frosted glass cylinders. Designed using the traditional methods of hand metal shaping and forging, the metal carcass of the lamp is worked with hand-embossed textures and chemical etching treatment. The Cilindros Table Lamp is inspired by the Art Deco movement and is composed of curved lines and circles arranged in a dynamic design evoking cascading skyscraper shape.
