

CROSSCUT TABLE - ONYX, 2021

CROSSCUT COLLECTION

H 47 x W 110 x D 66 cm.
H 18,5 x W 43,31 x D 25,98 in.

Limited edition of 8 + 2AP

Nickel alloy-plated metal.

The Crosscut Table in Onyx plating has been the latest addition to the Crosscut collection. Featuring three different finishes, chemical etching, satin burnish and hand-polishing in combination with the rich black nickel alloy plating, the table offers a strikingly modern aesthetic. The juxtaposition of glass and ridged metal forms that make up the table, in conjunction with the plating's sensually vibrant lustre pay homage to contemporary architecture.
