

CRYSTAL ART PLINTH, 2017

CRYSTAL COLLECTION

H 80 x W 43 x D 60,5 cm.
H 31,51 x W 16,93 x D 23,82 in.

Limited edition of 8 + 2AP

Silver & nickel-plated metal.

Composed of the interplay between positive and negative space, the Crystal Art Plinth is an exquisite art sculptural art piece which can also serve the function of a pedestal. Crafted from nickel-plated metal and executed in anthracite-coloured facets, the piece is worked with meticulously embossed textures and beautifully applied matt finish. Created with durability and functionality in mind, the plinth's top is covered with a beautiful hammered texture.
