

CRYSTAL COMMODOE, 2016

CRYSTAL COLLECTION

H 77 X W 160 X D 39 cm.
H 30,31 x W 62,9 x D 15,35 in.

Limited edition of 6 + 2AP

Nickel-plated metal, walnut lining.

The GARRIDO Crystal Commode is a unique commode with a high finish featuring a nickel-plated facade inspired by glacier formations found in nature. The highly polished front is meticulously hand-constructed from the multitude of angular facets. The slanted planes allow the light to reflect from the surface lighting up the surrounding interiors enhancing the dramatic effect. The commode's interior is composed of perfectly aligned shelves that emphasise on the broken lines of the exterior design and exquisitely lined with mahogany on the inside.
