

CRYSTAL MIRROR, 2016

CRYSTAL COLLECTION

H 175 x W 112 cm.
H 68,89 x W 44,09 cm.

Limited edition of 8 + 2AP

Nickel & bronze-plated metal.

The monumental Crystal Mirror features angular petal-like components purposefully laid into the design in different directions creating a geometric pattern. Each of the petals is crafted in nickel or bronze-plated brass sheets with the dramatic application of two different textures and polish. Venetian bronze finish offers a strong juxtaposition to the shimmering matt nickel, creating a powerful aesthetic, with the whole of Crystal Mirror being applied with embossed and carved figuring.
