Nickel-plated metal with Andhra Pradesh granite-top.

Designed with two interlocking table parts, the Crystal Table Set stands for the workshop's superlative craftsmanship skills and represents artistic creativity. The multi-faceted surface of this set has been hand-crafted using nickel-plated brass and topped with the marble table-top. Shielding from the surface wear the planes of the tables have been treated with chemical etching and satin finish, creating a dramatic contrast of the surfaces and assisting in prolonging life of the Crystal Table Set.
