

### CUSPID LAMP, 2017

### CUSPID COLLECTION

H 57 x W 18 x D 18 cm.  
H 22,44 x W 7,09 x D 7,09 in.

Limited edition of 10 + 2AP

Bronze & nickel-plated metal with silk shade.

This Cuspide Lamp features a vibrant geometric motif depicted in forged bronze and nickel-plated metal. The geometric rectangular pattern is inspired by the works of the great Cubist artist and sculptor George Braque. The lamp base is shaped in rounded format, presenting different views of the shallow relief of the geometrical motif - making it a perfect piece to be viewed in the round. The Cuspide Lamp also includes a luxurious silk shade.
