Nickel-plated metal.

With its simplicity and bold design, the elegant Cuspid Oval Mirror adheres to Garrido's ethos of fusing contemporary design with exquisite craftsmanship. Executed in nickel-plated metal the frame draws inspiration from Cubism. The sculptural personality of the mirror lends to the senses of balance and design, offering the viewer an exciting composition and Avant-gard aesthetic. Showcasing several techniques mastered at GARRIDO workshop, the vertical facets are worked with two different embossed textures and anthracite dyed elements, showcasing the riches of the graphite surface treatment.
