Limited edition of 8 + 2AP

Bronze & nickel-plated metal with glass-top.

The Escher Console Table is crafted in bronze & nickel-plated metal and features a distinctive helix motif in satin finish burnished on to the metal surface by hand. The glass tabletop is supported by a bronze plated base with a silver-plated under-frame. Developed using the language of geometry and architectural style, this elegant Escher Console Table is an ultra-modern piece of art-furniture.
