

FOLDS MIRROR - ONYX, 2021

FOLDS COLLECTION

H135 W95 CM  
H53.15 W37.4 IN

Limited edition of 8 + 2AP

Nickel alloy-plated metal, glass.

The Folds Mirror has been lovingly hand-crafted in nickel alloy-plated metal. Meticulously assembled from a myriad of small metal planes into a complex sculptural form. This stunning angular mirror with manifold segments would look great in any space. Reflecting light from its high-polished segments.
