## TRENZA COLLECTION

H 56,5 cm.

H 22,05 in.

Limited edition of 8 + 2AP

Bronze-plated metal with silk shade.

This Bronze Trenza Lamp features a vibrant geometric motif depicted in forged bronze-plated metal. The geometric rectangular motif draws its inspiration from the method of braiding hair, particularly the interwoven feature which is applied in this design. The lamp base is shaped in rounded format, presenting different views of the 'braided' metal segments. When lit up the rich golden hue of the treated base comes alive, reflecting the golden light. The Trenza Lamp also includes a luxurious silk shade.
